If you have not previously registered on your Chariton Valley Wireless mobile phone's browser, or if you have a wireless carrier other than Chariton Valley Wireless, choose the option **No – New Registration.** Continue with the instructions for **New Registration,** below.

If you have already registered on your Chariton Valley Wireless mobile phone's browser, by downloading a ringtone, etc., choose the option **Yes – Complete Registration.** (Please follow the **Complete Registration** instructions, listed on the next page.)

NEW REGISTRATION INSTRUCTIONS

Step #1 - **Create a username & password** by completing ALL fields on the screen that appears, agree to the terms & conditions and click on "Submit Form".

Step # 2 – **Validate your email address.** After submitting the above form, close your web browser. An email will be sent to the email address that you provided. Click on the link in the email to validate your email address. After your email address is validated, the screen shown below on the left will appear. Enter your profile information, making sure that the correct wireless carrier is chosen & ALL required fields are populated. Click "Submit".

Step # 3 - **Validate your phone number.** A screen with 5 tabs will appear. Click on the "My Lisa" tab. Click on the link to "validate your mobile number".

A code will be sent to your phone via text message from alerts@getlisa.com. Type the code received into the box and click "Submit".

Step # 4 – **Turn ON your Alert Master Switch.** In order to receive alerts, your alert master switch must be turned on. If your alert master switch is **OFF**, click on the link to turn it **ON.**

Your registration is now complete. Please go to the **"Subscribing to Alerts Instructions"** on the next page.

If you have any trouble or would like help in completing the registration process, please send an email to glsupport@charitonvalley.com.
